

IT'S A NEW DAY

By: Jim Smart

Good day to you morning.
I feel so alive. These
Foothills down here run so
Deep and so wide.

The giant poplar trees
Seem to dance in the wind.
This silence is golden
I'm listening again.

Chorus:

I feel His dear presence.
He whispers to me,
Give me your burdens,
I'll give you peace.
So I'll sing to the morning
I'll dance and I'll play.
For my Father has given,
Another new day
It's a new day.

Well day unto day
He speaks to us all.
But our hearts are so cluttered
They drown out His call.

So quiet your soul,
And you'll hear that still voice
Peace, be still, Let us sing and rejoice.

Chorus:

I feel His dear presence.
He whispers to me,
Give me your burdens,
I'll give you my peace.
So I'll sing to the morning
I'll dance and I'll play.
For my Father has given,
Another new day
It's a new day.
